Mitsuo Gen
Senior Research Scientist

Contact Information
Email: mitsuoGen@gmail.com

Phone: +81(948)24-2771

Education
B.S., Engineering, Kogakuin University

M.E., Engineering, Kogakuin University

Ph.D., Engineering, Kogakuin University

Ph.D., Informatics, Kyoto University

Professional Experience
Associate Professor, Ashikaga Institute of Tech. (Japan); Visiting Associate Professor Univ. of Nebraska-Lincoln (USA); Visiting Professor UC Berkeley (USA); Visiting Professor Texas A&M Univ. (USA); Visiting Professor Univ. of Houston (USA); Professor Waseda University (Japan); Visiting Professor NCTU (Taiwan); Visiting Professor NTHU (Taiwan); Visiting Professor Sichuan Univ. (China); Visiting Professor Kyoto Univ. (Japan); Visiting Professor Pohang Univ. (Korea); Visiting Professor AIT (Thailand); Senior Research Scientist Fuzzy Logic Systems Institute (Japan); Visiting Professor XJTU (China); Visiting Professor UNIST (Korea); Chair Professor Hanyang Univ. (Korea); Visiting Professor NTHU (Taiwan).

Research Interests
Soft Computing Techniques (Fuzzy Logic, Evolutional Algorithms & Artificial Neural Network); Applications to Intelligent Manufacturing and Logistics Systems.

Honors & Awards
The Best Book (JICS, Tokyo); The Best Paper Award 2001 (JSOFT); Dr. Eldin's Best Book Award 2004; The Best Organizing Session Award 2004 (IEEJ); The Best Paper Award (Society of the Plant Engineering Japan); The Best Paper Award (ANNIE); The 1st Run Up Paper Award (ANNIE); The Lifetime Achievement Award (IML 2010); The Lifetime Achievement Award (IMS 2010); The Special Recognition Award (ANNIE); The Contribution Award (KIIE 2011); The Best Paper Award (IML 2013).
