### Academic and Professional Background:

Director, National & Local Joint Engineering Research Center for Intelligent Decision and Information Systems, China

Director, Key Laboratory of Process Optimization and Intelligent Decision-making, Ministry of Education, China

Vice Chairman, China Association for Information Systems, China

Vice Chairman, Chinese Society of Optimization, Overall Planning and Economic Mathematics, China

Chairman, Chinese Industrial Engineering Institute of CMES, China

### Research Interests:

Decision Science and Technology, Optimization Theory and Method, Management Information System,

### Honors:

The Second Prize of National Scientific and Technological Progress Award, China, 2006 and 2008

The First Prize of Anhui Province Scientific and Technological Progress Award, China, 1996, 2005, 2008 and 2012

The First Prize of the Natural Science Award of the Ministry of Education, China, 2008

The First Prize of China Machinery Industry Science and Technology Award, China, 2007

### Publications:

He has published five monographs and over 150 papers in leading journals, such as European Journal of Operational Research, International Journal of Production Economics, Computers and Industrial Engineering.
